ABOUT US

Polven Foods began with a desire to create a great taste in food. Our company was founded in **1998** in Ida-Virumaa, Estonia.

We have 25 years of expertise in creating savory **sauces, mayonnaise, condensed milk** and **sweet fillings**.

Today, we are one of the largest mayonnaise and condensed milk producers in the Baltic States and the only condensed milk producer in Estonia.

We are the leading food production company in the market segment. Our brands have a strong presence in Estonia and Latvia. Besides, we expanded our reach to Lithuania, Poland, Germany, and other European countries.

We have an extensive track record of delivering **high-quality products** to our clients in both the **retail** and **HoReCa** industries, and we are always seeking new opportunities to expand our reach and offer more value to our customers.

We work with our partners closely to reach **our mutual goals**:

- Product adaptation to meet market needs
- Packaging development and improvement
- Punctual production and delivery
- Timely assistance and support
- **Private Label** services

Our brands are well-known in the Baltics.

We offer different packaging solutions:

STAND UP BAG, POUCHES, BUCKETS, BAG IN BOX

STAND UP BAG ADVANTAGES

- Convenience
- Barrier Properties
- Space Efficiency
- Lightweight
- Recyclability
- Customizable
- Reduced Waste
- Freshness and Flavor Preservation
- Cost-Effective
- Innovative Shapes and Sizes
- Ease of Storage
- Reduced Transportation Costs

BAG IN BOX ADVANTAGES

- Convenience
- Barrier Properties
- Space Efficiency
- Lightweight
- Recyclability
- Customizable
- Reduced Waste
- Freshness and Flavor Preservation

QUALITY

We work every day for the best quality mayonnaise, condensed milk and sauces on your table. Consumers' confidence encourages us. We carefully choose our suppliers and wholesalers and carry out strict inspections. Our high-quality raw material has the **EU certificate**.

Our production facilities and warehouses comply with the EU standards. Each production batch has a Declaration of Conformity.

In addition, we use the product safety management system **HACCP** (hazard analysis and critical control point control). Our products are **ISO 22000: 2018** and **RSPO** standard certified.

The products of Polven Foods OÜ also have received quality certificates **"Tunnustatud maitse" ("Recognized taste")** and **"Tunnustatud Eesti maitse" ("Recognized taste in Estonia")**

MAYONNAISE

PolvenFoods®

Quality and the authentic homemade taste are crucial for delicious mayonnaise and sauces. These are the values we prioritize!

Our flagship products are Provencal-style mayonnaises, crafted with inspiration from the historic composition of the sauce.

CONDENSED MILK

PolvenFoods®

Polven Foods is the only condensed milk producer in Estonia.

We specialize in crafting high-quality condensed milk from locally sourced whole milk. We proudly serve a diverse clientele spanning both the retail and food industries, offering meticulously crafted products to meet their unique needs. In the retail sector, we offer classic sweetened condensed milk, as well as chocolate flavor and caramel. Within the HoReCa sector, our extensive product range encompasses everything from timeless classics to decorative as well as sweet & thermal fillings.

Our products have earned the admiration of discerning gourmands, confectioners, bakeries, and ice cream makers alike.
